

WILL2WALK SPONSORSHIP

WILLPOWER PARTNER: \$10,000

Will2Walk Foundation is composed of individuals who donate their time and efforts to keep those with spinal cord injuries active, fit and independent. Driving our mission requires hiring talent, training volunteers, purchasing supplies and so much more. WillPower Partners help to expand our current programs and form new programs.

- Your company logo on our printed literature
- Your company logo displayed at all events
- Opportunity to attend and market at Will2Walk events
- Logo in emails + email feature story
- Social media mention

SCHOLARSHIP SPONSOR: \$5,000

Will2Walk Scholarships go directly to individuals with SCI who demonstrate a will to stay active, fit and independent. The things a person did before a spinal cord injury are often financially out of reach. Help someone regain independence at home, return to work or school, pursue a hobby or pastime, compete in a wheelchair sport. A scholarship sponsorship means those with SCI can pursue the highest quality of life possible; your dollars go directly to individuals with SCI.

- Your company logo on all scholarship materials
- Your logo and link in email and social media communication

WHEELS AT WORK SPONSOR: \$3,000

Support our community education program. Will2Walk Foundation aims to help those with SCI stay active, fit and independent. We promote productivity and economic participation post injury through education and a return to work. Our community education program aims to build awareness of the challenges that face those with an SCI as they pursue education, return to work, take on a new sport or hobby and more. We reach out to educators and employers to share stories and promote ways in which they can help those with SCI integrate and add value at their organizations.
